

IDAHO IRRIGATION.

Water for 30,000 Acres in Marysville Valley.

(TRIBUNE SPECIAL.)

Idaho Falls, Ida., Nov. 14.—Articles of incorporation were executed here today incorporating the Marysville Canal & Improvement company, limited. The capital stock is \$180,000, all subscribed. The directors and incorporators are J. H. Brady, W. S. Chaney and R. Rounds of Idaho Falls; Frank W. Smith of Chicago, and H. A. Watson of St. Anthony, Ida; J. H. Brady, president, and W. H. Chaney, secretary.

The company proposes to construct canals for the purpose of irrigating about thirty thousand acres in the Marysville valley, in Fremont county, Ida., water to be taken from Fall river. Work will be commenced immediately and water be made to flow over new farms next season.
